## Superintendent's Message

Janet Sifferman, Superintendent

Some true "winter weather" has finally made its way to Michigan, but hopefully its stay will be short! Regardless of the weather, the district is in full swing, planning for the 2015/2016 school year. There are a couple of important dates and activities that are happening soon. **Kindergarten Round-up for the 2015/2016 school year is scheduled for February 17 and 18 from 5:30 to 8:00 p.m. at the Hartland Educational Support Services Center.** Note that this is earlier than in years past. Please refer to the announcement in this issue for further details. Scheduling for Hartland High School students begins this month and you may contact Hartland Middle School (for incoming freshman) or Hartland High School if you have specific questions regarding this process.

I want to take this opportunity to thank Board of Education member Cynthia Sinelli for her eight years of service to the Board and for her many years of service to the district prior to serving on the Board, as an involved parent, PTO/PAC member, and valued member of the Hartland community. She will truly be missed! With Cindy's departure, we are extremely happy to welcome Chris Costa to the Board table. Chris and his family have resided in the Hartland community for several years and have a son in 2nd grade at Round Elementary. Chris is a teacher in South Lyon. We are very fortunate to be able to continue Hartland's tradition of electing committed, community-minded, and child-centered members to our Board of Education.

As winter weather has finally made itself known, I wanted to remind everyone of the district's policies and procedures regarding what goes into determining a "snow day."

Our Director of Operations and Transportation Supervisor, with their team of "road checkers", are on the roads at 2:30 in the morning making sure our buses are able to safely transport our students. Please be aware that, as the district does offer transportation to all students residing within Hartland Consolidated Schools, our road checkers are determining whether our buses can safely navigate their routes and it is this information that is used when determining whether to cancel school due to road conditions. I also communicate with the other county superintendents as well as the superintendents in neighboring districts in Genesee County, who have similar protocols in place, before making a final determination. Obviously it is always a difficult call, and regardless of the decision, there are those who disagree. Ultimately, it is parents who make the final call regarding their family's circumstances and what is best for their children. Thank you for your patience and understanding as we head full steam into another Michigan winter.

## Person of the Month

Charlie Aberasturi

Charlie Aberasturi has been a fixture in the Hartland community for almost 20 years. He has served on the Hartland Board of Education for 17 years and is currently serving as the Board's treasurer. He also serves on the board of the Heartland Foundation, originally chartered by J. Robert Crouse. He received both his BBA and MBA from Eastern Michigan University.

Following is Charlie's "Hartland Story" in his own words:

Both of my children had the opportunity to spend all thirteen years of their education in Hartland Schools, and they are both Spartans. My daughter, Sarah, graduated from Hartland in 2009 and Michigan State University in 2013. She is currently an RN working in pediatric emergency at Mott Children's Hospital in Ann Arbor. Last October, Sarah married her high school sweetheart, Brett Callihan. They are living in Fowlerville.

My son, Dan, graduated from Hartland in 2012 and anticipates graduating from MSU in December 2015. He is pursuing an accounting degree and this semester is doing an internship with Grant Thornton, LLP in Southfield. Dan earns his spending money as an MHSAA basketball and baseball official for KLAA games.

My wife Sue and I celebrated our 26th wedding anniversary in 2014. Sue had the opportunity to serve on various PTOs and PACs for all fifteen years our children were in Hartland Schools. I am retired from remunerated employment after working 34 years for TRW in various financial management positions. I currently volunteer at my church, St. John the Baptist Catholic Church, and also at Pregnancy Help Clinic in Brighton.

Some of my most memorable moments include:

My daughter's first day of school and the level of comfort I had in giving this school district the opportunity to help in forming her into an adult. I was a "video camera-carrying parent" and noticed another father who was just as video-involved as I. Thirteen years later on my daughter's last day at Hartland High School, I saw the same father there with his video camera.

When my daughter was in elementary school I worked close enough to the school that I could come over to help during the day. This gave me the opportunity to sit with my daughter and her classmates; to be on the playground helping them with the merry-go-round as they chanted, "Faster, faster we need a new master!"

There was a time several years ago when saying the pledge of allegiance was being reinvigorated. My son's principal decided to have children recite the pledge during announcements. Dan was given the opportunity to be the first one to do this. I made the assumption it was because I was a board member and thanked the principal; my innuendo must have made him realize my assumption.

## Kindergarten Round Up

Mark your calendar for Hartland Consolidated School's Kindergarten Round-Up for the 2015-2016 school year.

Children are eligible for enrollment in kindergarten in September 2015 if they will have their fifth (5th) birthday on or before **September 1, 2015**. A child who turns 5 after September 1 and before December 1, 2015, may enroll if parent/legal guardian notifies the school district in writing no later than August 1, 2015.

A Junior Kindergarten program (half day and/or full day) may be offered on a limited basis. A minimum number of students is required for the program to be made available. Parents may need to provide transportation in order to participate. **You may contact Scott VanEpps at 810.626.2111 or [scottvanepps@hartlandschools.us](mailto:scottvanepps@hartlandschools.us) for more information.**

A 20-minute orientation will begin at 5:30 pm in the Board Room located in the Hartland Educational Support Service Center, 9525 E. Highland Rd, followed by registration in the Performing Arts Center lobby on:

**Feb. 17 (Tues) 6- 8 pm Last names starting with the letters A-L**  
**Feb. 18 (Wed) 6- 8 pm Last names starting with the letters M-Z**  
*\*Please make every effort to enroll your child on the dates provided.*

### Please bring the following:

- Original birth certificate with seal, plus copy of same certificate
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox shots (or proof of having illness), and vision screening, plus copy of record
- Proof of residency-copy of one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/payment receipt, voter registration card, utility bill, driver's license

While we need to see the originals, it will expedite the enrollment process if you also bring copies of the originals.

Kindergarten registration packets are now available at the Board of Education office, the Community Education office, each elementary school office and the Hartland Child Care Center (51 Building). You can also download them from our website at [www.hartlandschools.us](http://www.hartlandschools.us).

## Person of the Month *Charlie Aberasturi continued from page 1.....*

He put me in my place when he replied that it was not because of me, it was because my wife was a PTO parent! My reward for being a member of the Board of Education was realized when I had the opportunity to hand each of my children their high school diplomas.

We are born with and develop, through experience and education, individual talents. These talents are given to us to be used to help those we come in contact with. For me the application of these talents has been helpful to the Hartland School District, and so far, the electorate has agreed. I support and value Hartland Consolidated Schools because our district is willing to support positive values for our students.

## Names in the News

Congratulations to Paul Scheidler for being honored as the **Daughters of the American Revolution Michigan Societies 2015 Michigan Outstanding Teacher of American History**.

Paul teaches at the high school and has been very inspirational to countless Hartland students over the years. He will be recognized at a luncheon on March 31.

**Left:** Congratulations to Hartland High School sophomore Sophia Huebel whose poster submission was chosen as this year's winner in honor of Martin Luther King, Jr. Day.

The 2015 theme was service. For more information on MLK Day events at the high school, see page 4.

Congratulations to **Hartland Middle School teacher Mike Scheib** for being named this week's Michigan Lottery Excellence in Education award winner! Mike was recognized with a \$500 check from the Michigan Lottery and his class will receive a \$500 grant! They will use the money to package 10-12 thousand meals for kids around the world with an organization called "Kids Against Hunger."

The Excellence in Education award is sponsored by the Michigan Lottery, proud to provide nearly 19 billion dollars to support public education over the past 40 years.

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

Parents, this month is a very important month as we have students beginning to look at classes that they would like to take next year and start thinking about the spring. Our winter sports programs are in full swing and we are preparing for many busy events coming our way in the spring. Winterfest is approaching soon and we have the State of the School Address coming up as well. We hope to see many of you out and supporting our various local events!

- February 7 – Winterfest Dance
- February 10 – State of the School Address (HS Auditorium)
- February 12 – FASFA Online Night at HHS
- February 17 – Festive Band Concert
- February 20-23 - Mid-Winter Break

This January, Hartland High School once again celebrated the life and message of Martin Luther King, Jr. emphasizing service projects and inspiration. Students spent one day this January volunteering their time to help local organizations such as the Salvation Army, OLSHA, Humane Society, Hartland Township and more.

Some of the projects taken on by Hartland High School students this year included:

- Project Linus:** Creating No-Sew blankets to be given as gifts to seriously ill and traumatized children in hospitals, social service agencies, or shelters
- Meals on Wheels:** Decorated bags for meals.
- Soup Kitchen-** To creating 225 sack lunches- including sandwich, snack bar, piece of fruit, condiments, napkin.
- HAVEN project:** Made 100 First Night Kits for new residents at the shelter
- Ronald McDonald House:** Made hygiene kits.
- Gleaners Project:** Made birthday bags for Senior citizens who may need assistance from Gleaners during their birthday month
- Last Chance Rescue:** Baked dog bones to feed animals at the shelter
- Inspire HHS:** Created signs and posters to hang around our high school
- Hartland Winterfest:** Made crafts for all of the kids who attend the 1st Hartland Township Winterfest on Jan. 31.

Congratulations to our own Mrs. Laura Smith, third grade teacher, who was chosen as a winning teacher of the Goals for Schools program sponsored by the Plymouth Whalers Hockey Team.

Two players from the team, Mathew Campagna and Mitch Jones, came to Lakes on January 15 to present Mrs. Smith with an award and a gift certificate.

They also read "Z is for Zamboni" to the students, talked to them about the importance of working hard in school, and even gave everyone an autographed poster.

**Pictured left:** Mrs. Smith, Mathew and Mitch and student Kaden Custodio who nominated Mrs. Smith for this award.

Lakes students enjoyed an annual visit from students in the Hartland High School Theater Class in January. They visit us each year to perform a play that they write, produce and perform for our students in two assemblies.

This year's play was "Space Travelers Learn a Lesson" and included concepts tied to our Lakes Kids Care Program. It is always a great experience for our students, and especially fun to see some of our ex-Lakes' students return to our school!

As the holiday season came and went and a new year is upon us, Round Elementary School spent our holiday season in style. Thank you to the Round School staff and family for donating time and money to help families less fortunate. The entire Hartland District always does a nice job helping our community and Round School certainly did our part.

Round Elementary School makes a great effort to show our young people the importance of giving, not only during the holidays, but as a way of life. Needless to say, the holiday season was a special time at Round this year.

Highlighted pictures feature caroling, holiday parties, graham cracker houses, and holiday book reading. Round Elementary School would like to wish everyone a successful and safe 2015!

With two locations and three teaching teams, Hartland Preschool offers a variety of class options to help accommodate the needs of the Hartland Community. Preschool registration for the 2015-2016 school year is now open.

Spots are still available in many of our classrooms taught by our three teams of Laura DeRosier, Dawn Lubeski /Laura Messner and Tara Yoerg / Tracie Waldron. We will be highlighting our three classrooms through the next few months in Community Life. This month we feature the teaching team of **Dawn Lubeski and Laura Messner.**

*For more information, to schedule a tour, or to register, call 810.626.2150.*

**Supportive, Safe & Consistent**

For nine years, the Hartland Preschool team of Dawn Lubeski and Laura Messner have effortlessly created a classroom which surrounds their students in a caring, compassionate and consistent learning environment.

It's a place, according to the two teachers, where children and parents both feel safe, supported and nurtured, important factors when considering the beginning stages of their child's education.

"Not only do we provide a consistent and structured environment for our students, but our parents as well," teacher Laura Messner said.

The strength of their classroom dynamic comes from the blending of the two teachers personalities and their ability to mesh and work well together. It's also their commitment to not only their students, but the parents that helps make their classroom special.

"We understand what it is to leave your baby with us," Messner said. "So we always tell parents, we will love your child the way you love your child."

Born and raised in Hartland, Lubeski and Messner are both Hartland alumni and now enjoy the fact that they are teaching many of the children and grandchildren of families they went to school with.

"It's just gives us such a sense of community," Messner said. "We really enjoy it."

While starting the transition of leaving their parents and having fun at school are priorities in their classroom, preparing their young students to be successful in Kindergarten and beyond is the basis of their classroom education.

"We use tools that are fun and functional," Dawn Lubeski said.

Programs such as LEAPS, Handwriting without Tears and Zoo-Phonics are used on a daily basis in Lubeski's classroom, along with one of her favorites, as well as her students, Letter Detectives.

Using a magnifying glass, students become "detectives" as they search the room for letters, writing down their "clues" in their books through the year. It's perfect, yet simple way to subtly teach children that learning is fun.

"The kids love it," Lubeski said. "They think it's a game, but they learn so much!"

**Highlights of Dawn Lubeski/Laura Messner Classroom:**

**Letter Detective:** Letter Detective is a fun way to reinforce letters and sounds in our classroom. Students are asked to search for letters in words around the room using their magnifying glass and recording their findings in their books.

**LEAPS:** LEAPS is a literacy program where students are introduced to a letter through a song followed by activities that go with that letter. There is also a homework piece that students complete and then return to display in the classroom. The students love to see their work displayed!

**Zoo-Phonics** is one of many ways to teach children phonemic awareness, the building block for literacy. Through active and engaging ways of introducing our letters, children will learn letter sounds and blending. Each letter has an animal, action and a sound associated with it. Our goal is for your children to learn and enjoy our Zoo-Phonics friends.

**Handwriting Without Tears:** Research supports the active teaching of handwriting. Recent findings demonstrate that writing by hand improves creative writing skills and fine motor skills. Each child has to manipulate tools to create Upper and Lowercase letters.

## 2015 One of Two High School Scholarship Presented

The Hartland Area Chamber of Commerce Board of Directors voted unanimously to award one of its two annual local high school senior scholarships to former **Township Clerk Larry Hopkins daughters – Alyssa & Kaitlyn.**

Larry passed away unexpectedly on Tuesday, December 23, 2014, after an 18 day battle with a very aggressive form of cancer known as Poorly Differentiated, Large Cell Neuroendocrine Carcinoma.

It was Larry's wish that his daughter's attend college, as they are senior's at Hartland High School this year.

"Larry was an incredible friend to our Chamber," said David Kelley, president of the Hartland Area Chamber of Commerce. "Our members thought very highly of Larry and had a huge amount of respect for him. Our Board collectively felt that any help we could provide to his family would have made Larry proud."

A gofundme account has been established for Larry Hopkins daughters and can be found at: [www.gofundme.com/ja818](http://www.gofundme.com/ja818)

*The Hartland Area Chamber of Commerce's mission is to assist business establishment and growth in the Hartland area through information, support, and networking; and to provide a means for business to give back to the community.*

## Where do your tax dollars go? The answer is a click away

Hartland Township has made it easier for residents to review the municipal budget with the addition of an easy-to-use online tool. The budget software offers an overview of the budget as well as options to delve deeper into the numbers. Graphs offer viewers a quick view of expenditures and revenue as well.

"This program increases the transparency of the township budget by making these numbers both easily available and simpler to interpret," says Finance Director Susan Dryden-Hogan. "We never lose sight that the dollars we allocate are taxpayer dollars — and that taxpayers should have access to how these dollars are budgeted."

Visit [www.HartlandTwp.com](http://www.HartlandTwp.com) to view the 2014/2015 budget.

## Township loses a champion

With the Dec. 23, 2014 passing of Hartland Township Clerk and Board of Trustees Member Larry Hopkins, the community lost not only a tireless volunteer but also a champion of this township.

"Larry leaves a great legacy in our community," says Township Supervisor Bill Fountain. "His work on the Township Board of Trustees and Planning Commission leaves an indelible mark on this community. His unwavering commitment to Hartland was evident in the number of community volunteer organizations in

which he not only participated, but also often played a lead role -- from the Rotary Club to Community Council. He is sorely missed."

### Membership!

*Are you interested in making new friends? Do you want to be more active? Please consider joining us at the Hartland Senior Center!*

Dues are only \$15 per year for a single member and \$20 for a couple living in the same household. We have over 1,300 members from all over the area. Our membership year runs from January – December – so now is a perfect time to come check us out!

**Above:** On Nov. 18, the Senior Center hosted our Annual Turkey Dinner. Thank you to the young men from Pack 385 for helping make the event extra special this year!

**Above:** We were once again involved with this awesome experience. Great Lakes National Cemetery is where we chose to place our wreaths. We contributed about 40 wreaths from HSC but there are almost 17,000 graves at GLNC. Please join us next year to help honor the fallen heroes who gave all.

### More Holiday Wrap-Ups:

**December 10:** Annual Veterans' Breakfast. Thank you to our Township officials, Supervisor Bill Fountain and Trustee Joe Petrucci for making this event happen. There were about 40 veterans sharing their stories.

**December 11:** Holiday Music Concert 130 people enjoyed the festive sounds of our band and choir members.

**December 12:** Red Cross Blood Drive at HSC has about 25 people came out to donate blood at the senior center. Thank you to everyone who donated and gave the most precious gift during the Holiday Season.

**December 15 - 16:** Santa visited with the CE pre-schoolers and had a wonderful time! About 80 pre-schoolers shared cookies and songs with our seniors while waiting to get their picture with the "big guy."

### Website!

*Have you checked out our website lately? [www.hartlandseniorcenter.org](http://www.hartlandseniorcenter.org)*  
We post our monthly calendar of activities as well as descriptions of annual events. You can also find links to our community partners and sponsors. These organizations are instrumental in helping our center offer great programs and resources to the community.

# Community NEWS

On May 30, Hartland will once again rally to a cause as hundreds of people come together for Relay for Life. This year, the event will take place at the HESSC track from 9 am - 11 pm.

Over the next few months, Community Life will be introducing and highlighting local teams who have worked hard to make a difference in the fight against cancer.

The **Hartland Teachers Care** team has been participating in the Hartland Relay for Life for many years. The team answered the following question of "Why Do We Relay?"

### Why do we Relay?

We relay to support our community and to find a cure for Cancer! We have competed for more than 15 years-- starting in Brighton -- and have participated every year since Hartland has started hosting Relay. Our HEA team has so many members that our team has participated in Relay by making sure at least one member is walking every hour.

*To have your Relay for Life team introduced in an issue of Community Life send an email to [tatumryan@hartlandschools.us](mailto:tatumryan@hartlandschools.us)*

**If you're interested in forming a team, visit [www.relayforlife.org](http://www.relayforlife.org) or contact Laura DeRosier at [lauraderosier@hartlandschools.us](mailto:lauraderosier@hartlandschools.us).**

Abigail Peterson is an 8th grader and Cadette Girl Scout from Troop #41818 who recently spent her holiday vacation making more than 480 rubber band bracelets for children who are sick in the hospital.

She enjoys helping others and thought this would cheer them up a little. The bracelets were sent to the Foundation of Hope who will send them out to children all over the United States.

## Hartland Teachers Care

Hartland teachers have been busy this year supporting the community. Through their "Casual for a Cause" donations, involving monetary donations to charity in return for dressing informally on Fridays and on special occasions throughout the year, the Hartland Education Association was able to give generously to Salvation Army, the Hartland Hero Teen Center, and to schools for adopting families at Christmas time.

**The teachers also raised approximately \$3200 for Gleaners Community Food Bank, to be matched by Ford Motor Corporation.**

**Right:** Mike Joseph (closest to the Salvation Army sign) and Ethan Hawker, teachers, are bell-ringing at Kroger.

In addition to financial contributions, many winter coats were collected for Bountiful Harvest in Brighton, and much fun was had by teachers, joined by other staff, families and student organizations, as they rang the Salvation Army bells in front of Kroger once again this December.

Upcoming events include Bowl for Kids' Sake, teachers reading at Cromaïne Library in March, Relay for Life, and of course, the Memorial Day Parade. Hartland teachers would like to give back to this wonderfully supportive community!

## HMS Swim and Dive News

The team started the season with a big win against South Lyon December 4th, 97-73. Hartland took 7 first place finishes out of 11 events including a 1st, 2nd and 3rd place in the 50 freestyle event.

Michael Harris captured a new school record in the 50 Free along with four 1st place finishes and 3 State Cuts. Maddie Mince broke her own record in the 50 Butterfly along with three 1st place finishes and four State Cuts.

**Record holders Michael Harris 50 Free and 50 Fly, Maddie Mince 50 Free, 50 Fy and 100 IM, Gabe Pillen Diving**

Aaron Thielen showed a strong performance with four 1st place finishes with four State Cuts. Great swims were turned in by Olivia Nied, Jordan Pierzynski, Nathan Schick, Ben Paxton, John Wisniewski and Perry Smith to earn State Qualifying times as well. The dive team had an awesome performance with Gabe Pillen earning enough points to also qualify for States.

The team came up two points short against Brighton on December 9, 84-86. Hartland managed to grab three more school records and come up with 18 State qualifying swims. Michael Harris came away with a new school record in the 50 Butterfly and 3 State cuts. Maddie Mince broke the 50 Freestyle record and captured 2 State Cuts. Gabe Pillen finished with a new diving record. Aaron Thielen snagged 3 State cuts and Jordan Pierzynski, John Wisniewski and Nathan Schick grabbed 2 State cuts each. Additional State qualifiers at this meet were Julia Geheb, Olivia Nied, Laney Richter and Sydney Smith.

The team rebounded from the Brighton loss to bring home a win at Huron Valley on December 16th, 125-45. Great swims resulted in 9 first place finishes out of 10 events, including one, two, three finish in four of these events. Michael Harris came up with 4 first place finishes and an additional State cut. Aaron Thielen and John Wisniewski both grabbed 3 first place finishes and an additional State cut each. Maddie Mince had 2 first place finishes and an additional State cut. Julia Geheb also snagged a 1st place finish. The Dive team had a strong performance with a one two finish with Delaney Richter and Gabe Pillen respectively.

The team finished 2014 with a win at Howell 124-45 on December 18. Hartland took ten 1st place finishes out of 11 events, seven new State Cuts and two new school records. This includes 1st, 2nd, and 3rd place finishes in three of these events. Maddie Mince finished with four 1st place finishes, broke her own 50 butterfly record and grabbed a new school record in the 100 IM.

John Wisniewski grabbed four 1st place finishes. Michael Harris and Jordan Pierzynski snagged 3 first place finishes each. The Dive team finished 1st, 2nd and 4th with Sydney Smith, Gabe Pillen and Delaney Richter respectively.

## Hartland Teens Celebrate Christmas

The Christmas Party at the Next Door Hartland Teen Center was attended by 44 teens. They decorated the teen center with Christmas lights and decorated a Christmas tree with ornaments that they made.

Teens frosted Christmas cookies, opened holiday stockings, and enjoyed eating tacos. The teens wrapped presents and played, The White Elephant Gift Exchange Game where they would open a gift and if they didn't want it, they could exchange it for something else. The game was lots of fun! Thank you parents and Meijers for donating items for the Christmas Party.

## Rocha Represents Hartland for Scholarship Program

The Distinguished Young Women of Michigan Scholarship Program held its 57th Annual Scholarship Program on Saturday, January 24 at Saline High School.

**Kendra Rocha**, (pictured left) a senior at Hartland High School, represented Livingston County in the competition. Kendra competed doing a ventriloquism act for her talent and received a scholarship for her "Be Your Best Self" essay.

Her future plans include attending Grand Valley State University to study Business and Public Administration. Her ultimate career goal is to become Governor of Michigan and then work for a non-profit like 4H or the Red Cross.

Seventeen contestants from around the state of Michigan competed for thousands of dollars in college scholarships and the chance to represent Michigan at local events throughout the state and at the national finals in Mobile Alabama. This scholarship program is based on academic scholastics, leadership, physical fitness and talent.

"This is an amazing group of smart and talented young women and we are excited to have them showcase their talents at this year's scholarship program said Angela Bobo, Distinguished Young Women of Michigan State Director.

The Michigan State Program is part of the Distinguished Young Women of America, which is the largest and oldest scholarship program for high school seniors in the country.

## MEDICARE AND MEDICAID MYTHS

### MYTH # 1 Medicare will cover my nursing home expenses.

While Medicare provides some coverage for nursing home expenses, the coverage is quite limited and is not long-term. Medicare covers only up to 100 days of "skilled nursing care" per spell of illness, of which only 80 days are fully covered. The patient must start paying a copayment of up to \$152 per day (as of 2014) from the 21<sup>st</sup> day to the 100<sup>th</sup> day unless he or she has supplemental insurance that will cover the copayment. To qualify for Medicare, the patient must enter a Medicare approved "skilled nursing facility" or nursing home within thirty (30) days of a hospital stay that lasted at least three days, and the care in the nursing home must be for the same condition.

### MYTH #2 You need to be poor to qualify for Medicaid.

Medicaid helps needy individuals pay for long term care, but you do not need to be completely destitute to qualify. Generally, as of 2014 an individual is allowed to have only \$2,000 in assets (excluding a home, one car, and certain life insurances). However, eligibility for Medicaid is not that cut and dried and often depends on the facts of each case. The rules vary depending on whether an individual is looking for "Community Medicaid," which covers some home care costs or "Institutional Medicaid," which covers nursing home costs. Eligibility is also different when the applicant has a spouse. Potential applicants or caregivers are strongly encouraged to explore with an elder law attorney the possibility of qualifying for Medicaid in order to help defray the cost of long-term care.

### MYTH #3 A Prenuptial Agreement will protect my assets from being counted if my spouse needs Medicaid.

A Prenuptial agreement only works to keep property separate in the event of death or divorce. It does not keep property separate for purposes of Medicaid eligibility. However, a "sick spouse" may still be eligible for Medicaid even if the "well spouse" has assets. A "well spouse" should explore the eligibility rules with an elder laws attorney.

### MYTH #4 I can give away up to \$14,000 a year under Medicaid rules.

The rule that allows gifting up to \$14,000 per year is an Internal Revenue Service (IRS) rule, NOT a Medicaid rule. The IRS allows an individual to gift up to \$14,000 a year without incurring any gift tax liability. However,

under Medicaid rules, a gift of \$14,000 or any other significant amount will trigger a penalty period. This means that for approximately every \$14,000 gifted within the 5 year period before a nursing home Medicaid application is filed a penalty (non-coverage) will occur prior to qualification. It is important to note that there is no penalty period on transfers of assets between spouses.

Dispelling the myths should encourage individuals or their caregivers to explore Medicaid as an option to paying for long-term care. Medicaid is definitely a viable alternative for many of us and is commonly used. However, the rules are complex and it is critical to consult with your elder law attorney to ensure no stone is left unturned.

## ENCORE YOUTH THEATER OFFERS SCHOLARSHIP

The Hartland Players' Encore Youth Theater is offering a one-time \$500 scholarship to a graduating high school senior. The scholarship was initiated in 2005 and continues to recognize students who have demonstrated special ability in, and dedication to, the theater. Although the scholarship acknowledges students with experience in the theatrical arts, it may be used at the college of the recipient's choice while pursuing the discipline of his/her choice.

In order to be eligible for the scholarship, the high school senior must be a past or current member of Encore Youth Theater and have a cumulative high school grade-point average of 3.0 or higher. In addition, he/she must include with the application a copy of his/her high school transcripts, an acceptance letter from the college of his/her choice, two letters of recommendation, a completed application form, and an essay response.

**Applications are available on the [hartlandplayers.org](http://hartlandplayers.org) website and must be postmarked by May 1, 2015.**

Recipient(s) will be notified by phone on May 22, 2015. The scholarship check will then be given to the high school of the recipient so that it may be presented as part of any scheduled honors awards ceremony.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18 through theatrical productions, camps, and workshops. This scholarship is a way for us to celebrate a student's growth and commitment to the theater. **For additional information, visit [hartlandplayers.org](http://hartlandplayers.org) or contact Amy Shettler at [sshettler@concast.net](mailto:sshettler@concast.net).**

*We encourage all who are eligible to apply!*

**Serving the Hartland Community  
for 20 years...**

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

"It is very rewarding to see children excel who previously struggled because of underlying vision problems," shares Dr. Doud. Most people don't realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

## Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

"Ever since Vittoria started kindergarten I noticed that she seemed to be struggling with things that my other 5 children had been able to master easily. School seemed to be a challenge for her. She was wonderful at math and oral memorization, but her reading comprehension levels were a huge struggle and her ability to retain her phonetic knowledge was nonexistent. I thought that it might be vision related, as in she needed glasses. After a visit to the U of M Pediatric Ophthalmology department, all the results came back negative.

At a complete loss, I turned to some of my close friends through a post on Facebook. One of them recommended that I contact Dr. Doud at Hartland Eye Care.

Vittoria was diagnosed with Convergence Insufficiency. We started Vittoria in vision therapy. In school, I saw her begin to advance and succeed. She is less "flighty" and more focused when she has conversations with others and is able, now, to maintain eye contact with the person with whom she is speaking. Vittoria loves arts-and-crafts of all sorts; and now her creations are displayed with pride. Best of all, Vittoria is well aware of the difference that Vision Therapy has made in her life. Vittoria reads for pleasure now. She is more confident, more determined to succeed in things that she does, and actually has an even happier and glowing outlook at life.

Looking back, I find it difficult to believe that the same little girl that looks at me with such pride in her eyes after she reads an entire page without any help is the same child that struggled to finish a single sentence. I am incredibly happy with how far she has advanced; I know that it would have continued to be a struggle for the both of us if we hadn't stumbled upon the Hartland Eye Care and Visual Learning Center."

## Fire Safety During the Winter Tips from Hartland Fire Marshal Mike Bernardin

This is a quick reminder of the dangers winter can bring in regards to fire safety, and just a few minutes of prevention, can save you or a family members life! Here are my top 5 winter fire safety tips:

- 1) Test your smoke alarms and carbon monoxide alarms weekly! If you have hardwired / interconnected alarms, test a different one each week!
- 2) Open your windows! – That's right, take a few seconds every few days or at least once a week, to operate bedroom windows! Make sure that your windows don't get stuck due to the extreme cold temps.
- 3) Shovel snow outside your doors. Take a few minutes to ensure that all exits from your home are clear of snow. As we begin the last half of winter this month, make sure frost heaving isn't affecting your ability to get out of your home!
- 4) Do you use a small portion of your roof right outside a second story window? If so, you should have the screens removed (Don't need them anyway) and use a push broom to push the snow away from the window and off the roof from the inside of your house. Even creating a 3-4' spot that is free of snow and ice will prevent you from falling!
- 5) If you use space heaters, fireplace, or wood stove, be sure to keep combustibles free of the heating source! Start shopping around now for a professional to sweep your chimney once the heating season is over!
